NOTE -

- Registration for Common ID is required to use this service.
- As of July 30, 2025, Android™ 8 or later and iPhone iOS 14 or later are required. The latest version may not display or function correctly on unsupported devices.
- Feature availability may vary based on your network conditions.
- Use of mobile Wi-Fi routers is not supported for this service.
- Model MSY-GA*VFK-SG1, MSXY-FP*VGK-SG2 comes with a built-in Wi-Fi adaptor. Models MSXY-FP*VG-SG3, MSY-GA*VF-SG1 and MSY-GP*VF-SG3/SG4 require an optional Wi-Fi adaptor and installation.
- Android is a trademark of Google LLC. iPhone is a trademark of Apple Inc.
- Please visit the MyME App website for a list of smartphones confirmed to be compatible.
- To avoid causing great damage to your air conditioner, please verify that the power of air conditioner in electrical panel has been disconnected from the complete system before installation of Smart A/C Controller.
- The proper performance and integration between MyME and the Smart A/C Controller depends on:
 - Quality of Internet signal
 - Type of access contract to the Internet or Smartphone
